

[CHOOSE THE RIGHT PROJECTS]

① List the projects that you're working on right now or that you're planning to start soon. Include them all, however big or small!

③ Examine the remaining projects and rate them on a scale of 1 to 5 using the criteria below.

	YOUR COMMITMENT TO THE PROJECT AND ITS SUCCESS	YOUR LEVEL OF AUTONOMY TO TAKE ACTION	THE POTENTIAL TO GET QUICK, CONCRETE RESULTS	HOW EASY IT IS TO GET ALLIES ON BOARD	TOTAL
●	/5	/5	/5	/5	/20
●	/5	/5	/5	/5	/20
●	/5	/5	/5	/5	/20
●	/5	/5	/5	/5	/20
●	/5	/5	/5	/5	/20

② Eliminate the most political projects and the most boring ones.

Add up the notes to get a total number for each project... If a project jumps out, great! Now lets keep going!
